Terms and Conditions

- *Payment plan available. Please call for full details of each service described.*
- *All services must be completed within 6 months of initial visit. Any missed vaccinations resulting in additional vaccines are not included.*
- *Plan covers ONLY services listed. It does not cover any services or products recommended as a result of illness or injury.*
- *Plans are non-transferable to different or new pets, and cannot be transferred between family and/or new owners.*
- *If the client cancels after any services are rendered, the client will be liable to UPVH for the remaining balance of the plan, or the full amount of the standard price of services rendered, whichever is less.*
